FLAMMA'S KENTUCKY OAKS

E. F. CONDRAN'S GOOD FILLY WINS CLOSING STAKE AT CHURCHILL DOWNS.

Rain Falls on Final Day of Louisville Meeting and Sloppy Going Prevails-Scratching of Solar Star Gives Forward Easy Victory.

Louisville, Ky., May 28.—The Churchill Downs meeting of fifteen days, the most successful held in Kentucky since the installation of the mutuel system of betting, terminated this afternoon with the running of six races, of which the Kentucky Oaks figured most prominently. Inclement weather narred what otherwise would have been the second best day of the meeting. Considering the adverse conditions a remarkably large crowd witnessed the racing and enjoyed the sport. The volume of betting was up to the high standard that has prevailed throughout the meeting.

The rain, which began to fall copiously about noon, converted the track into a sloppy condition, and reduced the fields. The Kentucky Oaks, worth \$1.310 net to the winner, was taken by Flamma, the odds-on favorite, with Floral Day leading the others and Beautiful accounting for the small end of the purse. The going was just to Flamma's liking, and aided by a good ride from jockey Butwell, who came here from Toronto, Canada, especially to pilot her, she had little difficulty in disposing of her opposition after rounding into the strated in joopardy, the boarder of the purse. The going was just to Flamma's liking, and aided by a good ride from jockey Butwell, who came here from Toronto, Canada, especially to pilot her, she had little difficulty in disposing of her opposition after rounding into the strated in joopardy, the boarder of the first half. When she attempted to move up on the inside on the lower turn she was caught in a jam, but got clear of interference on the last turn. The showing of Floral Bay represented a vast improvement over her previous efforts.

The withdrawal of Solar Star from the fifth race on account of his inability to run well in the muleft only Foundation to offer Forward any great contention for the purse. Foundation was unequal to the task and retired after going three furlongs, leaving Forward to win as his rider pleased.

Chapultepec, supposed to dislike muddy going, romped away from a good band of sprinters that started in the th

ach dollar.

Trainer W. H. Karrick claims that the weight thich it is said will be allotted to Sprite in the atomia Derby is incorrect. Her weight should be

which it is said will be allotted to Sprite in the Latonia Derby is incorrect. Her weight should be 117, he avers.

About 300 racing folk departed on the Elrod special tonight for Cincinnati. All the betting paraphernalia that has been used here, and which will be used at Latonia, was taken along on the same train.

C. W. Moore, who is the owner of Mere Hill Stud. has fourteen yearlings this season, seven being colts and seven fillies. There is a filly in his collection by Yaokee and a colt by Plaudit, and the rest are by McGee. He has a yearling filly out of the great race mare White Plume, a brother to White Heather, a sister to Horon, a half-brother to Desconnets, and his Plaudit colt is out of Gunrod, by Mirthful, a mare that is a half-sister to Gunfire, Trigger, Raglan, Hot Shot and Yankee Gun. Mr. Moore has twenty-two sucklings at Mere Hill Farm this spring, ten being colts and twelve fillies, They are by Meice, Peep o' Day, Stalwart and Hastings. He has one more mare yet to foal this season.

Little training was indulged in this morning, most of the owners being occupied with preparations for shipping to Latonia. Among the best work-outs were:

GOVERNOR DIX ON RACING REVIVAL.

Governor Dix of New York, in the course of an interview in England, where he is enjoying a vacation trip, was asked as to the revival of racing in New York. To this he replied:
"There is no question that since racing was stopped the quality of horses has deteriorated because there is no demand for them."

To the question "Isn't that an argument for the revival of racing?" the governor cautiously replied:
"I do not care to speak on that subject; it's purely academic and one for the people to decide. More important issues are sidetracking this question."

THIRTY LEADING MONEY-WINNING OWNERS OF 1912

Another month of racing involving the decision of a number of stake races has brought about decidenages in the list of thirty leading owners, although it has not for the present in the least disturbed H. G. Bedwell in his position of leadership. The strong stables of J. W. Schorr, H. C. Hallenbeck, J. N. Camden, H. K. Knapp, B. T. Wilson and August Belmont have entered the list with every prospect of mounting higher as the season advances. Six owners can now boast of stable earnings in excess of \$10,000 and two more should soon join this to be envied class. The thirty leading owners and their stable records are now:

Proposition for Re-Establishment of Racing Is to Be Voted Upon by People of Each Parish or Municipality Involved.

Baton Rouge, La., May 28.—Representative Charles F. Labarre, of New Orleans, today introduced a bill in the Legislature to create a state careing commission for Louisiana and submit the question of re-establishing racing under its direction to a majority vote of the people of any parish or municipality.

Under the provisions of the bill, no one association will be allowed to conduct more than forty days of racing in any one year and not more than three associations will be granted racing rights in any one year. The months of May, June, July, August, September and October are to be entirely eliminated, except for agricultural fairs.

The commission under this bill would consist of three members appointed by the governor for a term of four years, with a secretary to receive \$1,800 per year.

Meridian and The Manager Among Arrivals.

Cincinnati, O., May 28.—John Hachmeister, manager of the Latonia Jockey Club, is all smiles over the prospects for the twenty-four-days meeting, which will begin at Latonia Thursday.

There is every indication that a big crowd will be at Latonia on Thursday and that it will be a representative one, too, for the boxes are rapidly being disposed of.

Local interest in Latonia racing never was keener and the success of the meeting seems assured. While the Latonia Derby will be the chief racing feature of the meeting, other stakes are also attracting attention. The Derby will undoubtedly be the greatest three-year-old contest of the year.

Another race that will exceed in interest any other two-year-old event rum this season is also on the Latonia program. It is the Cincinnati Trophy Stakes, to which all of the star juveniles of the season are eligible. This race has generally had a bearing upon the Derbys of the following season. In this race this spring the \$12.500 Hawthorn will have another contest with Forward, which recently defeated him at Louisville. Forward, in the Trophy, will not have the advantage he had at Louisville when the son of Hastings gave him fifteen pounds. In the list of entries for the Trophy will be found every colt and filly which has won an important stake this season, there being seventy-four nominations in the race to which the Latogia Association will add \$1.500. A handsome silver cup will also be given to the owner of the winner.

Another equine star arrived at Latonia yesterday in The Manager, a prominent candidate for the Derby, and looked upon as a likely starter in the Memorial Handicap. Great things were prophesied for this colt this spring, not alone by his owner. T. C. McDowell but by astute horsemen who were impressed by his training trials. He has falled to race up to his work. General Manager Hachmeister believes he will run to his true form at Latonia, where the track surface is firmer than at Louisville. The colt and the others of a

NOTES OF THE TURF.

Great Jubilee, which ran unplaced at Coeur d'Alene Monday, is a brother to Worth, the recent Kentucky Derby winner, but is lacking the speed possessed by his noted relative.

The first stallion to win one of the Breeders purses at Coeur d'Alene will be presented to the University of Idabo, that institution having made a request to the association for one of the animals that are given away, one each week.

that are given away, one each week.

The race for the fillies' half of the Prix la
Rochette of 30,000 francs was run at the Bois de
Boulogne track in France Sunday and was won by
August Belmont's Qu Elle Est Belle with Belhoonse
in the saddle. There were eight starters and the
mutuels paid thirty-five francs for ten. The same
event for colts was won by Foulds Houll with M.
Ephrassi's Qui second and Mr. Vanderbilt's Didius
third. The jockeys on the placed horses were
Wootton, Jennings and O'Neill. There were twelve
starters.

The death of Dan Swigert at Lexington last Saturday marked the passing of the owners of the first five Kentucky Derby winners, Aristides, Vagrant, Baden Baden, Day Star and Lord Murphy. Mr. Swigert owned Baden Baden, which won the Derby in 1877, and he also bred Hindoo and Ben Ali, two other winners of the big race. The trainers of the first five winners, Ansel, Dudley Allen, Brown Dick, Lee Paul and George H. Rice, are also now dead. Col. M. Lewis Clark, who founded the race, and B. G. Bruce, who framed the conditions, have been dead for many years.

PAWHUSKA WINS FEATURE RACE AT ALAN.

Spokane, Wash., May 28.—Close finishes were the order at Alan this afternoon, and furnished entertainment for a large crowd. Favorites accounted for half the card.

The fourth race brought together a speedy band of sprinters and a hard struggle ensued between Rose Queen, Royal Tea, Pawhuska and Enfield. They turned into the stretch almost on equal terms, Pawhuska demonstrated that he is game by successfully standing a hard drive under severe punishment in the final cighth. Royal Tea outgamed Rose Queen for second money right at the end. Enfield, which was well supported, lost all chance by bearing out in the final furlong. He finished with a rush right under the judges' stand.

Richard Reed was made favorite for the fifth, but Billy Myer was returned the winner in a hard drive at the lucrative odds of 16 to 1.

E. J. Ramsey bid up Lieut. Sawyer \$250 in one bid over his entrance price of \$300, but the horse was retained by R. J. Austin.

Selden was suspended for three days by starter Dwyer for disobedience at the post in the first race. Jockey Gross was restored to good standing today by the stewards after a thorough investigation, as they could find nothing to substantiate the accusation made against him by the layers last week.

WHISK BROOM'S GREAT FEAT AT KEMPTON.

With 125 pounds on his back, Whisk Broom ran a noble race in finishing second in the Great Jubilee Handicap at Kempton Park and easily disposed of such other heavily weighted starters as Hornet's Beauty. Sir Martin and Mustapha. He was in an wise disgraced in succumbing to such a fast four-year-old as Bachelor's Hope, which carried but 100 pounds. In this race Whisk Broom effectually disproved the theory that he is not capable of staying well over a longer distance than a mile and is no doubt an admirable specimen of the high class thoroughbred. London Sportsman's description of the running of England's most valuable handicap is as follows:

In all handicaps when the added money exceeds \$600. top weight shall not be less than 126 pounds.

With a furlong still to go Maher's mount raced up into second place, whist close home Mustapha became third, but neither could get within hall of Bachelor's Hope, who was one of the easiest of winners by four lengths; six lengths away Mustapha finished an indifferent third.
